

Edendale

Alex Grimes

Candidate Statement

I'm proud to have grown up in our wonderful community. I'm an avid gardener and work in my family's small local business. As a member of the Nillumbik Greens, I'm passionate about protecting our Green Wedge and neighbourhood character. My priorities include: [1] protect our Green Wedge by implementing Council's new Biodiversity and Urban Tree Canopy Strategies; [2] advocate strongly to improve the safety and quality of local roads; [3] push for more frequent and accessible public transport in the area; [4] support essential services such as maternal health, community childcare, libraries, sports facilities, playgrounds and Edendale Farm; and [5] build safe and accessible cycling and walking infrastructure. To find out more, contact me at alex.grimes@vic.greens.org.au Vote [1] Alex Grimes for a councillor who will put our community first.
