

Swipers Gully

Kate McKay

Candidate Statement

I love living in Swipers Gully and raising my young children here. I'm deeply invested in this area and I'm actively involved in the local kinder, primary school, sporting clubs and Scouts. I'm an Intensive care Registered Nurse, caring and advocating for patients and colleagues for 17 years. I'm running for council to advocate for my community and ensure that residents thrive. As your councillor, I will listen to you and advocate strongly on your behalf. I will support the invaluable work that our community groups do, and will work to improve the standard of local amenities and services. I care about protecting our area's special local character from inappropriate development. As a member of the Nillumbik Greens, I'm passionate about our green spaces and Green Wedge. I'm keen to support local food pantry programs and broaden recycling. Good financial management is essential, and I won't allow your rates to be wasted. Local residents deserve a representative who will listen. I will be a strong voice for our community. Vote [1] for Kate McKay. Contact me on 0494 134 587 or katemckayforswipersgully@gmail.com
